

CITY OF TORRANCE

TORRANCE BLVD REHABILITATION

Notice of Final Paving on Torrance Blvd

Dear Citizen,

This Notice is to advise you that we will be placing the final pavement surface on Torrance Boulevard between Sartori Avenue and Crenshaw Boulevard on **Monday, December 29, 2008**. The normal work hours are between 7:00 a.m. and 4:00 p.m.

PARKING AND TRAFFIC IMPACTS

To allow us to perform the work, parking will be prohibited on both the north and south side of Torrance Boulevard. Temporary "NO PARKING" signs will be posted on Wednesday, December 24th, however, the parking restriction will not take effect until Monday, December 29th. The dates and times for parking restrictions will be indicated on the signs. Please obey the signs or your vehicle may be towed.

Both westbound and eastbound traffic will be reduced to one lane while the work is ongoing. Additionally, access into and out of intersecting local streets and driveways will be prohibited for approximately 2 hours in order to complete the final paving. Detours will be posted.

SPRINKLERS

During the roadway paving, we ask that you do not use your sprinkler system and/or not water your lawn. Any water that drains into the construction area can damage the new pavement.

CONTACTS

For questions or more information, please contact the following City staff:

Ron Katayama, Project Inspector (310) 901-9224

Bill Kamimura, Project Engineer (310) 618-3078

Traffic delays are expected so we recommend you identify an alternate route. Please note that the scheduled date may be postponed to the following day due to inclement weather.

We thank you in advance for your cooperation in assisting us in the successful completion of this phase of the project.
